Dear MTV Home Video,

It's been a long time since you brought out those *Daria* DVDs (87189 & 87175). I want to buy more *Daria* DVDs!

I know there was a problem with the DVD of *Is It College Yet?*, and a lot of fans cancelled their pre-orders because the version on the DVD was the shorter of the two versions screened on air. But that doesn't mean fans won't buy more DVDs, if you get it right next time!

If you released these DVDs, I'd want to buy them:

	<input checked="" type="checkbox"/>
The complete <i>Daria</i> Season One	<input type="checkbox"/>
The complete <i>Daria</i> Season Two	<input type="checkbox"/>
The complete <i>Daria</i> Season Three	<input type="checkbox"/>
The complete <i>Daria</i> Season Four	<input type="checkbox"/>
The complete <i>Daria</i> Season Five	<input type="checkbox"/>

Please write back and tell me when *Daria*'s fans are going to be able to buy more *Daria* DVDs.

This letter is not an order.

\* I don't want to receive any marketing information from you apart from information about *Daria* DVDs!

\* I don't want you to pass on my name and address to other companies.

Yours faithfully,

---
