Dear Paramount Home Entertainment (UK),

It's been a long time since you brought out those *Daria* videos (VHR 4671, VHR5185, VHR5186, VHR5187, VHR5188 and VHR5189). And even though two *Daria* DVDs have been brought out in the USA, Paramount Home Entertainment (UK) has never released them as Region Two DVDs.

I want to buy *Daria* DVDs!

If you released these DVDs, I'd want to buy them:

	<input checked="" type="checkbox"/>
The complete <i>Daria</i> Season One	<input type="checkbox"/>
The complete <i>Daria</i> Season Two	<input type="checkbox"/>
The complete <i>Daria</i> Season Three	<input type="checkbox"/>
The complete <i>Daria</i> Season Four	<input type="checkbox"/>
The complete <i>Daria</i> Season Five	<input type="checkbox"/>
The first <i>Daria</i> movie: Is It Fall Yet?	<input type="checkbox"/>
The second <i>Daria</i> movie: Is It College Yet?	<input type="checkbox"/>

Please write back and tell me when *Daria*'s UK fans are going to be able to buy some *Daria* DVDs.

* I don't want to receive any marketing information from you apart from information about *Daria* DVDs!

* I don't want you to pass on my name and address to other companies.

This letter is not an order.

Yours faithfully,

To:
